

Cruise & Tom McIntyre Museum Tour Saturday, September 12, 2009

Hey club members, time for another COCOA driving event and car museum tour. We have arranged for a special tour of Tom McIntyre's car collection. Tom has one of the nicest collections of hot rods, muscle cars and road race cars around. A story on Tom's cars is again included in this month's newsletter. There are a lot of notable cars in Tom's collection, including Mark Donohue's 1968 Penske/Sunoco Trans-Am Camaro and a '29 Ford Roadster once owned by the Williams Brothers. Additionally, we have invited the Cobra Owners Club (Tom and Lynn Park's group) to join us in the commadarie!!

So, time to check the oil level on the old car and a little elbow grease to get it out on the road. Remember, this is a club driving event so the rule still applies: gotta have some Blue Oval lineage or else no lunch for you! We really want to encourage you to get that old club car out (or new Shelby/Mustang) and drive it like it deserves to be driven, come on, let's see those club cars!!

Here is what we have planned:

- Meet at our usual Macy's parking lot spot (Main Street Mall) at 8:30 AM and leave no later than 9:15 AM
- We will take a special route that includes freeway and surface roads and also possibly a little canyon driving to Burbank
- Tour the collection from about 10:30 AM - 1:30 PM
- All the pizza, cookies and drinks you can eat for a mere \$5!

In order to get an accurate count for lunch and who will be attending, we need everyone to RSVP. RSVP on our club's website and either pay the \$5 through paypal or send a check payable to COCOA to RJ Juarez - 13095 Rimrock Rd. Chino Hills, CA 91709 by September 5, 2009.

If you have any questions, call either of your co-cruise directors,

RJ Juarez (951) 833-7732 or Deanne Palmer (949) 795-7294.
