Here's your chance to get the cob webs off your car and get out in the California sun (pray for sunshine). Here are the details:

- **Cruise** through Long Beach and around the beautiful Palos Verdes Peninsula coastline (map will be available with somewhat legible directions)
- **Arrive** at one of the many restaurants in the area (restaurant to be determined) around **12:00 noon**
- **Return trip home** is up to you, **several routes available including continuing around through Redondo and Hermosa Beach.**
- **Note:** There are no reservations required for this cruise. **Simply show up and enjoy yourself.**
