

Cobra Owners Club of America, Inc.

WILLOW SPRINGS #95
MAY 9 & 10, 2020

It's time for the Cobra Owners Club to spend another weekend at Willow Springs Raceway enjoying our Ford-powered vehicles. The whole weekend is only \$200.00 and includes a pretty comprehensive driving school and lots of track time for everyone.

Due to an overwhelming number of last minute registrations on the day of the event and an attempt by management to prevent chaos, we've had to change a few things. If you insist on showing up at the last minute, you will have to pay \$250.00 and you also run the risk of us being oversold. That means you could be turned away.

REMEMBER, this is not a race and there are no awards. We go to Willow Springs to have a fun, safe, weekend with our cars.

You do not need a racecar to participate; most of the entries are street driven vehicles. The whole idea of this event is to offer an opportunity to drive our high-performance cars as they were intended to be driven.

Cars will be teched at the track, but make sure your car is ready before you come out...good brakes and tires, no leaks, battery fastened down, wheels on tight, two throttle return springs, no loose junk in the trunk or back seat. Requirements are: COMMON SENSE, SNELL 2000 HELMET, seat belts (lap belts are okay), fire extinguisher – which must be mounted with a METAL BRACKET.

We will be staying at the Oxford Suites. The hotel is at the 14 Freeway & Avenue K. Breakfast is included in the rate. Mention the Cobra Owners Club when you make your reservation. There is a Marie Callender's next door where you can have dinner Saturday evening. Oxford Suites, 1651 West Avenue K, Lancaster
800-522-3050

No confirmations will be sent out for this event – I will call you if you are not accepted. If you don't hear from me, show up for the **MANDATORY DRIVERS MEETING** on Saturday, May 9th, at 9 AM.

PLEASE NOTE: There will be a non-denominational church service on Sunday morning at 8 AM.
