

Cobra Owners Club of America, Inc.

WILLOW SPRINGS # 103
MAY 11 & 12, 2024

It's time for the Cobra Owners Club to spend another weekend at Willow Springs Raceway enjoying our Ford-powered vehicles. The whole weekend is only \$200.00 and includes a pretty comprehensive driving school and lots of track time for everyone.

The Cobra Owners Club open track event is open to all years of Ford performance cars. We will accept early cars first, then fill available spots with late model cars (1980 and later). So, all you late model owners who want to run, should get your entries in right away.

REMEMBER, this is not a race and there are no awards. We go to Willow Springs to have a fun, safe, weekend with our cars.

You do not need a racecar to participate; most of the entries are street driven vehicles. The whole idea of this event is to offer an opportunity to drive your high-performance cars as they were intended to be driven.

Cars will be teched at the track, but make sure your car is ready before you come out...good brakes and tires, no leaks, battery fastened down, wheels on tight, two throttle return springs, no loose junk in the trunk or back seat. Requirements are: COMMON SENSE, SNELL 2000 HELMET, seat belts (lap belts are okay). Fire extinguisher – which must be mounted with a METAL BRACKET.

We will be staying at the Oxford Suites. The hotel is at the 14 Freeway & Avenue K. Breakfast is included in the rate. Mention the Cobra Owners Club when you make your reservation. Marie Callendar's is closed, but there is an Appleby's two blocks away and there will be food trucks in the parking lot adjacent to Oxford Suites.

1651 West Avenue K
Lancaster
800-522-3050

There are no confirmations sent out for this event – I will call you if you are not accepted. If you don't hear from me, show up for the **MANDATORY DRIVERS MEETING** on **Saturday, MAY 11th, at 9 AM.**

If you have any questions, call me, Lynn Park, at 818-790-0427.
